

Go to jmp.com/student. Select **Get JMP for free!**

Select **Get started at MyJMP** on the instruction page.

JMP® Student Edition
Help master statistics quickly – and have fun doing it.

Free for qualified* students, faculty, and academic researchers.
Free 12-month subscription to leading statistics software used by industry professionals worldwide.

Follow these four steps to get started with JMP

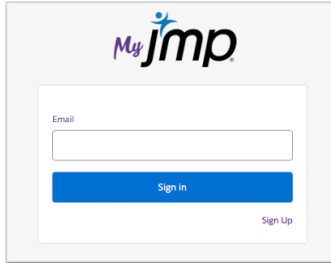

- 1 Sign in to My JMP**
Once you have read through these steps, click on the blue button below to sign in to My JMP. Use the email address you use to log in to your school's or university's portal.
- 2 Tell us about you and your studies**
Identify your affiliation as a student, instructor, or academic researcher and provide the details related to JMP's intended use, along with your location. Click Next.
- 3 Authenticate**
Select your school or university from the list and provide your login credentials as usual. No personal data will be transmitted; we simply receive a notification that your login was successful.
- 4 Download, install, and authorize**
Follow the onscreen instructions to download the installer file for Windows or Mac. Install and authorize JMP Student Edition.

Let's get started with Step #1

[Get started at My JMP](#)

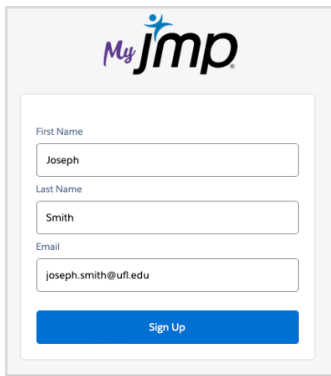

*Students, instructors, and academic researchers must be currently enrolled at or employed by a degree-granting institution. Academic research is defined as noncommercial work that will be published in a journal, presented at an academic conference, or shared for the public good.

- 1a. You will be asked to sign-in to your MyJMP account. If you don't have one, select **Sign Up**.

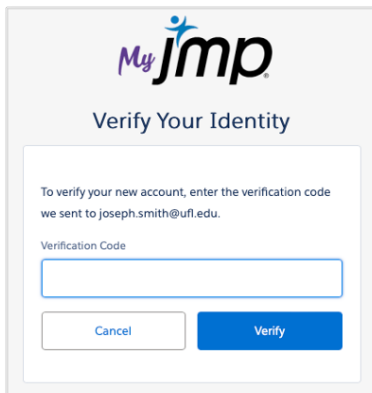

The screenshot shows the MyJMP sign-in interface. At the top is the MyJMP logo. Below it is a white box containing an "Email" label and a text input field. A blue "Sign in" button is positioned below the input field. In the bottom right corner of the white box, there is a small "Sign Up" link.

- 1b. Provide the requested information.
Note: You need to use your email address from your academic institution.

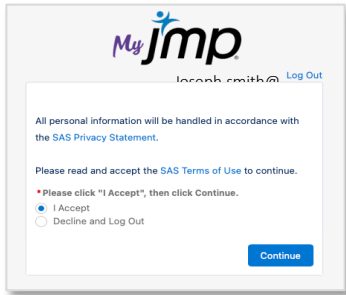

The screenshot shows the MyJMP sign-up form. It features the MyJMP logo at the top. The form consists of three stacked text input fields: "First Name" (containing "Joseph"), "Last Name" (containing "Smith"), and "Email" (containing "joseph.smith@ufl.edu"). A blue "Sign Up" button is located at the bottom of the form.

- 1c. Enter the verification code sent to your email.

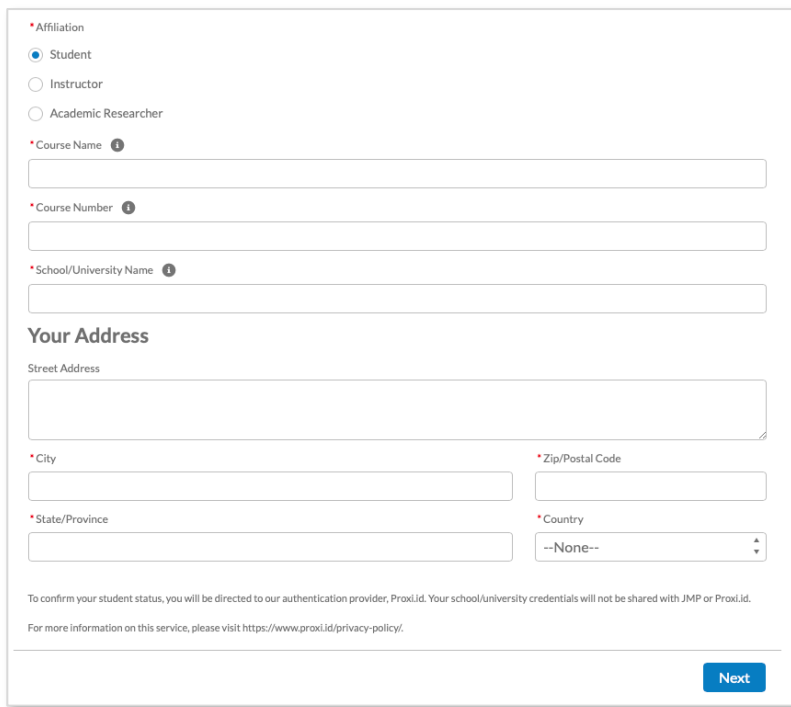

The screenshot shows the MyJMP verification page. At the top is the MyJMP logo, followed by the heading "Verify Your Identity". Below this is a message: "To verify your new account, enter the verification code we sent to joseph.smith@ufl.edu." Underneath the message is a "Verification Code" label and a text input field. At the bottom of the form are two buttons: a white "Cancel" button and a blue "Verify" button.

1d. Read and accept Terms of Use (if prompted).

2a. Provide the requested information regarding your affiliation with your school.

The screenshot shows a form with the following sections and fields:

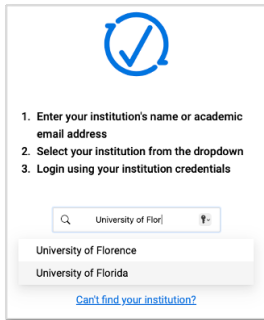

- Affiliation:** Radio buttons for "Student" (selected), "Instructor", and "Academic Researcher".
- Course Name:** A text input field with an information icon.
- Course Number:** A text input field with an information icon.
- School/University Name:** A text input field with an information icon.
- Your Address:**
 - Street Address:** A large text input field.
 - City:** A text input field.
 - Zip/Postal Code:** A text input field.
 - State/Province:** A text input field.
 - Country:** A dropdown menu with "--None--" selected.

At the bottom, there is a "Next" button. Below the form, there is a note: "To confirm your student status, you will be directed to our authentication provider, Proxi.id. Your school/university credentials will not be shared with JMP or Proxi.id. For more information on this service, please visit <https://www.proxi.id/privacy-policy/>."

2b. Click **Start** to verify your academic status.

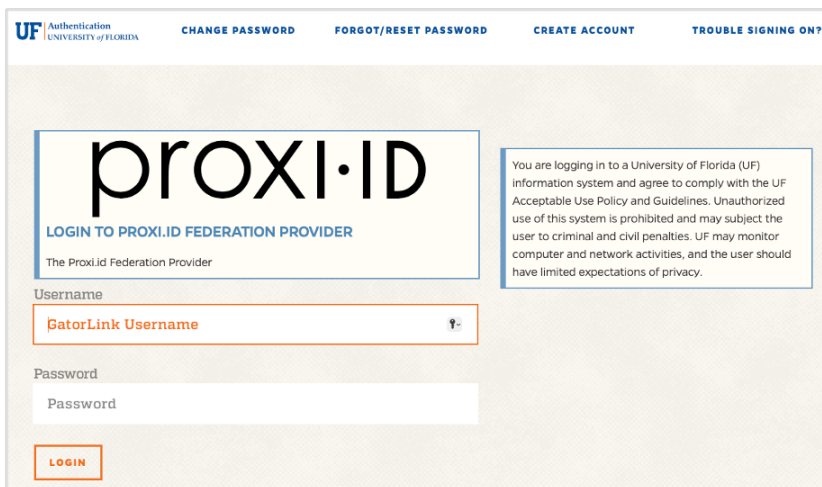

- 2c. Enter the name of your institution and select from the list provided in the dropdown. If your institution is not listed, select **Can't find your institution?** You will be prompted to provide an email address. You need to use your academic email address. A verification code will be sent to your email in that case.

The screenshot shows a web form for selecting an institution. At the top is a blue circular icon with a checkmark. Below it are three numbered instructions: 1. Enter your institution's name or academic email address, 2. Select your institution from the dropdown, and 3. Login using your institution credentials. There is a search input field containing 'University of Flori' with a dropdown arrow. Below the input field, a dropdown menu is open, showing 'University of Florence' and 'University of Florida'. At the bottom of the form is a blue link that says 'Can't find your institution?'.

- 2d. You'll be sent to your institution's unique login page to verify your affiliation with your school. Login with your username and password for your institution.
Note: JMP does not receive your login credentials.

The screenshot shows the University of Florida Proxi-ID login page. At the top left is the UF logo and 'Authentication UNIVERSITY OF FLORIDA'. To the right are links for 'CHANGE PASSWORD', 'FORGOT/RESET PASSWORD', 'CREATE ACCOUNT', and 'TROUBLE SIGNING ON?'. The main content area features the 'proxi-ID' logo and the text 'LOGIN TO PROXI.ID FEDERATION PROVIDER' and 'The Proxi.Id Federation Provider'. On the right side, there is a text box with a disclaimer: 'You are logging in to a University of Florida (UF) information system and agree to comply with the UF Acceptable Use Policy and Guidelines. Unauthorized use of this system is prohibited and may subject the user to criminal and civil penalties. UF may monitor computer and network activities, and the user should have limited expectations of privacy.' Below the disclaimer are two input fields: 'Username' with 'GatorLink Username' and 'Password' with 'Password'. At the bottom left is a red 'LOGIN' button.

Some users may be asked to provide additional proof of eligibility and be directed to a page to submit proof. If so, see step 2d(1) in the Appendix.

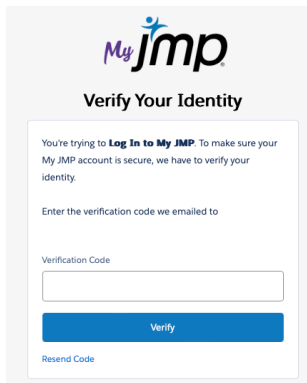

Some users may be initially blocked from verification and will be required to complete a form to release the block. If so, see step 2d(2) in the Appendix.

Opening JMP Student Edition

When you launch JMP Student Edition for the first time, you'll be prompted to activate it by logging into your MyJMP account via your email.

A verification code will be sent to your email. Enter it and then click **Verify**.

JMP provides free resources to help you learn to use the software quickly and efficiently for your class.

- **New to JMP?** Begin with our 45-minute [Getting Started with JMP](#) tutorial.
- **How do you perform specific analyses?** The [Learning Library](#) provides two-minute videos with step-by-step instructions and corresponding one-page summaries for most of the common analyses in statistics courses.
- **Looking for more learning resources?** Visit the [academic webinar library](#) or [Learn JMP](#) for other learning materials.
- **Have other questions?** Head over to the [JMP User Community](#) to interact with other users and find the latest information.

APPENDIX

If you are unable to successfully complete the download/installation process, visit our [FAQ page](#) for answers to problems that you may be having.

2d(1). If you were sent to a page that is not associated with your institution to verify that you are a student, faculty, or researcher at an academic institution, complete the requested information.
